

Dear Students,

Although Princeton in Munich has been cancelled this year, the Department of German is pleased to announce that the courses GER 105G, GER 107G, and GER 318G will still be taught this summer in an online format during a special session running six weeks from Monday, 01 June to Friday, 10 July.

Planning has moved at as rapid a pace as possible, but because of the nearness of the summer term we must all move very quickly to ensure your participation in these courses if you wish to take them. Please read the following very carefully.

- Tuition for these courses is set at \$1,500.00, which given the radically different circumstances is significantly less than the program cost of Princeton in Munich (\$2,900.00).
- For those students who will require financial assistance, funding through [SAFE](#) via the **Dean's Fund** is still available.
- **If you have already applied through [SAFE](#) as a PIM participant**, you will need to upload a document to your existing application stating the new tuition fee of \$1,500 tuition for the course. You should title this document "LAST NAME - Revised Budget Information – Summer 2020."

**If you have not yet applied and will require funding assistance from the Dean's Fund, you must do so immediately.** The funding opportunity that you are looking for in [SAFE](#) is the "Princeton in Munich 2020 Travel Subsidy." You apply for a Dean's Fund award using this funding opportunity.

- The deadline for Dean's Fund applications (revised or new) for the summer term is next week – **Thursday, 30 April.**

- Enrollment will not be conducted in the usual fashion through TigerHub, but instead will run through the department. If you have already been accepted to PIM and wish to participate, you will be guaranteed a spot in the course. All others will be accepted on a first-come, first-serve basis.

- If you wish to take either GER 105G, GER 107G, or GER 318G this June and July, regardless of whether you have been accepted into PIM or not, **you must email your request to [Adam Oberlin](mailto:aoberlin@princeton.edu) ([aoberlin@princeton.edu](mailto:aoberlin@princeton.edu)) and [Janine Calogero](mailto:jcaloger@princeton.edu) ([jcaloger@princeton.edu](mailto:jcaloger@princeton.edu)) as soon as possible.** We will do our best to accommodate all interested students, but space is limited in each section.

We apologize for the urgency of this message and the steps it outlines. Given current time constraints we remain optimistic about offering courses that will bear credit and count toward the language and/or concentration and certificate requirements.

If you have any questions not related to financial aid details, please submit them to [Adam Oberlin](#).

Best regards,
